Re: NIH trials registered on ClinicalTrials.gov

The counts below were generated using the "sponsor field" in the AACT dataset (Aggregate Analysis of ClinicalTrials.gov; downloaded from the Clinical Trials Transformation Initiative website; <http://www.ctti-clinicaltrials.org/>; March 2015 dataset).

The first column gives the number of trials registered, the second column gives rank by number registered. The third column gives rank by the 2014 NIH budget (there to provide an indication of proportions of budgets devoted to trials).
