Re: Things I miss

You can spend your professional life doing and writing about trials and never know what you missed. Here are things I miss. What is on your list?

Newspapers you can hold and fold
The song of meadow larks in mornings
Hoot owls and train whistles in the night
Somebody to check oil at gas stations
The evening news
Vin Scully and Dizzy Dean
Baseball on the radio
Seeded watermelons
Slough pumpers
The Six Fat Dutchmen
The sound of geese migrating in the night
Rainbows on the prairie
